In connection with the above investigation, a [] SNST recorder was used to record a conversation. When the tape was retrieved from the recorder, it was discovered that a malfunction of the take-up side of the unit had caused tape to be crumpled into the area around the take-up reel. It is apparent from observing the take-up that it is running in an erratic fashion and comes to a complete stop every revolution.

It is requested that the EAU conduct an examination of this unit and document the malfunction. When such an examination is completed, the unit should be repaired and returned to Phoenix. The SNST [] is identified by SN 2401969 and GPN 707768. A copy of the documentation as to the cause of failure should be sent to the above-captioned case.

PROTEST DEMONSTRATION AT THE ABOVE PARK ON 7/9/88.

[] FURTHER ADVISED THAT AN UNKNOWN INDIVIDUAL HAD ATTEMPTED TO TALK TO A LOCAL NEWS MEDIA REPORTER BUT HAD BEEN IGNORED. NEVERTHELESS, ACCORDING TO [] THIS INDIVIDUAL WAS MAKING ALLEGATIONS TO THE EFFECT THAT HE INTENDED TO PLACE CERTAIN CHEMICALS IN THE WATER WHERE THE SEA WORLD ANIMALS ARE KEPT. [] ADDED THAT A FEW WEEKS AGO, SEVERAL INDIVIDUALS CLAIMING TO BE MEMBERS OF CAPTIONED GROUP, WERE DISTRIBUTING LEAFLETS AT SEA WORLD PARK ALLEGING "ATROCITIES" BY SEA WORLD AGAINST VARIOUS SEA ANIMALS.

[] ADVISED THAT HIS OFFICE WAS APPRISED BY THEIR LEGAL COUNSEL IN WASHINGTON OF THE ACTIVITIES OF SUCH GROUPS AS EARTH FIRST, ANIMAL LIBERATION FRONT (ALF), AND OTHER EXTREME ORGANIZATIONS IN THE "DEEP ECOLOGY" OR "GREEN" MOVEMENT.

FOR THE INFORMATION OF SAN ANTONIO, INVESTIGATION HAS
DETERMINED THAT THE ANIMAL LIBERATION FRONT IS A NATIONAL
CLANDESTINE MILITANT ORGANIZATION THAT ENGAGES IN CRIMINAL
ACTIVITY INCLUDING BURGLARY, THEFTS, ARSON AND BOMB THREATS.

ALL INVESTIGATING OFFICES WERE REQUESTED TO DIRECT THEIR
INVESTIGATIONS TOWARD THE CRIMINAL ENTERPRISE CALLING ITSELF
"ALF" AND NOT LEGITIMATE ANIMAL RIGHTS MOVEMENT ACTIVITIES AND/OR
INDIVIDUALS. THE DS/T INVESTIGATION OF ALF SHOULD FOCUS ON
IDENTIFYING MEMBERS OF THE CRIMINAL ENTERPRISE AND OTHER MEMBERS
WHO KNOWINGLY ACT IN FURTHERANCE OF ITS CRIMINAL OBJECTIVES. IN
ADDITION, INVESTIGATING OFFICES ARE TO ENSURE NONE OF THEIR
SOURCES UTILIZED IN THIS INVESTIGATION ARE DIRECTED TOWARDS
LEGITIMATE ANIMAL RIGHTS ACTIVITIES OR INDIVIDUALS. SACRAMENTO
HAS REQUESTED THAT ANY INVESTIGATING OFFICE TO CLEARLY ARTICULATE
WHAT FACTS ENABLE THEM TO IDENTIFY ANY INDIVIDUAL OR GROUP AS
ALF.

BY SACRAMENTO AIRTEL AND LHM TO ALL OFFICES DATED 6/29/88,

PAGE THREE DE SC 0001 UNCLAS

SACRAMENTO SET FORTH A COMPLETE CHARACTERIZATION OF ALF AND ITS ACTIVITIES.

SAN ANTONIO SHOULD NOTE THAT THE NUMEROUS LEGITIMATE ANIMAL RIGHTS ORGANIZATIONS CONDUCT MANY DEMONSTRATIONS IN FURTHERANCE OF THEIR CAUSE, HOWEVER, THE ANIMAL LIBERATION FRONT DOES NOT OPENLY DEMONSTRATE, BUT BEHAVES IN A CLANDESTINE MANNER. THE ALF OPERATES MAINLY ON THE EAST AND WEST COAST OF THE UNITED STATES.

SAN ANTONIO IS REQUESTED TO ADVISE SACRAMENTO SHOULD ANY BREAK-INS OR INCIDENTS OCCUR THAT CAN BE DIRECTLY ATTRIBUTED TO ALF. SUCH ALF ACTIVITIES CREDIT IS CLAIMED THROUGH EITHER COMMUNIQUE FROM AN ABOVE GROUND SPOKESPERSON TO THE LOCAL NEWS MEDIA, TELEPHONE CALLS OR SPRAY PAINT ALF GRAFFITI ON THE PROPERTY OR POSSESSIONS OF VICTIM.

IT IS AGAIN NOTED THAT THE DS/T INVESTIGATION OF ALF IS LIMITED TO THE CRIMINAL ENTERPRISE CALLING ITSELF ALF AND NOT LEGITIMATE ANIMAL RIGHTS MOVEMENT ACTIVITIES AND/OR INDIVIDUALS.

In connection with the above investigation, a [] SNST recorder was used to record a conversation. When the tape was retrieved from the recorder, it was discovered that a malfunction of the take-up side of the unit had caused tape to be crumpled into the area around the take-up reel. It is apparent from observing the take-up that it is running in an erratic fashion and comes to a complete stop every revolution.

It is requested that the EAU conduct an examination of this unit and document the malfunction. When such an examination is completed, the unit should be repaired and returned to Phoenix. The SNST [] is identified by SN 2401969 and GPN 707768. A copy of the documentation as to the cause of failure should be sent to the above-captioned case.

COMPLAINT FROM THE COCONINO COUNTY SHERIFF'S OFFICE, FLAGSTAFF, ARIZONA, ON 11/9/87, WHICH STATED THAT THE FAIRFIELD SNOW BOWL, A FLAGSTAFF AREA SKI RESORT, HAD RECEIVED AN EXTORTION LETTER IN THE UNITED STATES MAIL WHICH ADVISED THAT EXTENSIVE DAMAGE HAD BEEN DONE TO THE CABLES SUPPORTING THE CHAIR LIFT AT THE RESORT. THE LETTER IMPLIED THAT FURTHER DAMAGE WOULD BE DONE TO THE FACILITY IF THE TREES WERE NOT ALLOWED TO GROW BACK AND IF SKI OPERATIONS IN THE AREA WERE NOT DISCONTINUED. TWO LETTERS WERE RECEIVED WHICH PROMPTED THE INSPECTION OF THE CHAIRLIFT AND CABLES. THE INSPECTION REVEALED THAT THE BOLTS WHICH ANCHOR THE PYLONS SUPPORTING THE CABLE AND LIFT CHAIRS HAD BEEN CUT WITH A TORCH. IF UNDETECTED, THE DAMAGE WAS SUFFICIENT ENOUGH TO CAUSE THE CHAIR LIFT TO FALL, RESULTING IN DEATH TO THE PERSONS IN THE CHAIRS. THE CHAIR LIFT HAD A MAXIMUM CAPACITY OF 900 PERSONS AND THE COST OF REPAIRING THE CHAIRLIFT WAS \$20,000.

FURTHERING POLITICAL AND/OR SOCIAL GOALS, WHOLLY OR IN PART, THROUGH ACTIVITIES THAT INVOLVE FORCE OR VIOLENCE AND ARE IN VIOLATION OF THE CRIMINAL LAWS OF THE UNITED STATES.

TO DATE, PHOENIX DIVISION HAS IDENTIFIED THE FOLLOWING INDIVIDUALS AS BEING ACTIVE MEMBERS OF EARTH FIRST; 1. [REDACTED]
[REDACTED] 2. [REDACTED] 3. [REDACTED] 4. [REDACTED]
[REDACTED] 5. AND [REDACTED] (LNU). FURTHER INVESTIGATION, WHICH WILL BE OUTLINED IN THE REMAINDER OF THIS COMMUNICATION, INDICATES THAT THESE INDIVIDUALS AND OTHER YET UNKNOWN MEMBERS OF EARTH FIRST HAVE INVOLVED THEMSELVES IN CRIMINAL/TERRORIST ACTIVITIES TO FURTHER THEIR "CAUSE" WHICH HAS DESTROYED PROPERTY AND DIRECTLY ENDANGERED LIVES. INFORMATION RECEIVED ESTABLISHES A REASONABLE INDICATION THAT EARTH FIRST HAS PLANS IN THE FUTURE TO COMMIT OTHER ACTS OF VIOLENCE AGAINST PERSONS AND PROPERTY IN AN ATTEMPT TO OBTAIN THEIR GOALS.

THIS INVESTIGATION WAS PREDICATED UPON THE RECEIPT OF A COMPLAINT FROM THE COCONINO COUNTY SHERIFF'S OFFICE, FLAGSTAFF, ARIZONA, ON 11/9/87, WHICH STATED THAT THE FAIRFIELD SNOW BOWL, A FLAGSTAFF AREA SKI RESORT, HAD RECEIVED A LETTER IN THE U.S. MAIL WHICH ADVISED THAT EXTENSIVE DAMAGE HAD BEEN DONE TO THE CABLES

PAGE THREE DE PX 0011 UNCLAS E F T O

SUPPORTING THE CHAIR LIFT AT THE RESORT. THE LETTER IMPLIED THAT FURTHER DAMAGE WOULD BE DONE TO THE FACILITY IF THE TREES WERE NOT ALLOWED TO GROW BACK AND IF SKI OPERATIONS IN THE AREA WERE NOT DISCONTINUED. IF THESE DEMANDS WERE NOT MET, THEN THE FAIRFIELD SNOW BOWL HAD "BETTER HIRE MORE SECURITY." THE SHERIFF'S OFFICE COMPLAINT CONTINUED BY SAYING THAT THE EARLIER RECEIPT OF ANOTHER LETTER AND A TELCALL IN OCTOBER, 1987, PROMPTED THE INSPECTION OF THE CHAIRLIFT AND CABLES. THE INSPECTION REVEALED THAT THE BOLTS WHICH ANCHOR THE PYLONS SUPPORTING THE CABLE AND LIFT CHAIRS HAD BEEN CUT WITH A TORCH. THE DAMAGE WAS SUFFICIENT ENOUGH TO HAVE CAUSED THE CHAIR LIFT TO FALL IF USED, RESULTING IN DEATH TO THE PERSONS IN THE CHAIRS. THE CHAIR LIFT HAD A MAXIMUM CAPACITY OF 900 PERSONS AND THE COST OF REPAIRING THE CHAIRLIFT WAS \$20,000. DESIGN ENGINEERS STATED THE MANNER IN WHICH THE CHAIRLIFT WOULD HAVE CAUSED IT TO COLLAPSE WHEN FULLY OCCUPIED; IF THIS HAD OCCURRED, LITERALLY HUNDREDS OF PEOPLE WOULD HAVE BEEN DROPPED, IN SOME INSTANCES OVER HUNDRED FEET, ONTO THE SIDE OF THE MOUNTAIN. BOTH THE LETTERS AND THE TELCALL WERE CLAIMED BY THE SAME GROUP, "EVAN-MECHAN ECO-TERRORIST INTERNATIONAL CONSPIRACY," (EMETIC).

PAGE FOUR DE PX 0011 UNCLAS E F T O

PHOENIX OPENED PX 9A-2594 TITLED "UNSUB(S), FAIRFIELD SNOW BOWL
1900 COUNTRY CLUB DRIVE, FLAGSTAFF, ARIZONA; EXTORTION;
OO: PHOENIX" ON 11/12/87.

ON 8/24/87, SACRAMENTO DIVISION ADVISED PHOENIX THAT ON
6/12/87, [REDACTED] FROM THE PACIFIC GAS AND ELECTRIC COMPANY
ADVISED THAT THEY HAD APPROXIMATELY 15 POWER POLES SABOTAGED BY
UNKNOWN PERSONS IN NEVADA AND PLACER COUNTIES, CALIFORNIA.
APPROXIMATELY 100 CABLES HAD BEEN PARTIALLY SEVERED BY A HACKSAW
AFFECTING THE STABILITY OF THE POLES. THE ESTIMATED REPAIR COULD
REACH \$25,000 AND WOULD HAVE REACHED POSSIBLY A MILLION DOLLARS
HAD THE POLES SUPPORTING THE HIGH VOLTAGE LINES ACTUALLY FALLEN.

ON 8/3/87, [REDACTED] AGAIN REPORTED A SIMILAR INCIDENT
STATING THAT THE BOLTS FROM METAL TOWERS NORTHEAST OF RENO,
NEVADA, HAD BEEN WILLFULLY REMOVED [REDACTED]

ON 5/14/86, THE PALO VERDE NUCLEAR GENERATING STATION
(PVNGS) WHICH IS LOCATED APPROXIMATELY 42 MILES WEST OF PHOENIX,
ARIZONA, SUFFERED THE SIMULTANEOUS DESTRUCTION OF THREE INCOMING
POWER LINES AT THREE DIFFERENT LOCATIONS, APPROXIMATELY 10 - 15
MILES APART. ALL THREE OF THE INCIDENTS HAPPENED ONLY MINUTES
APART AND THE MODUS OPERANDI WAS THE SAME. THIS CASE WAS OPENED

IT IS NOTED THAT PVNGS IS THE LARGEST NUCLEAR GENERATING STATION IN THE U.S. AND SECOND LARGEST IN THE WORLD.

AN ATTEMPT WAS MADE WITH THE USE OF A "CABLE SLING" TO PULL THE EXISTING POWER LINES TOGETHER, WHICH CAUSED THE LINES TO SHORT OUT. THIS ACT RESULTED IN A POWER FAILURE AT PVNGS. THE TOTAL LOSS TO THE OWNERS OF THE STATION TOTALED \$1,260,000.

b6

[REDACTED] NUCLEAR REGULATORY COMMISSION, DESCRIBED THE ABOVE INCIDENT AS THE MOST SERIOUS ACT EVER PERPETRATED AGAINST A NUCLEAR GENERATING PLANT IN THE U.S. THE TWO YEAR INVESTIGATION CONDUCTED BY THE PHOENIX DIVISION HAS DEVELOPED NO SUBJECTS, ALTHOUGH THIS INVESTIGATION HAS FOCUSED ON EARTH FIRST SINCE ITS INCEPTION. THIS FOCUS WAS INITIATED DUE TO INFORMATION RECEIVED THAT EARTH FIRST MEMBERS WERE READING AND DISTRIBUTING LITERATURE DESCRIBING HOW TO DESTROY ESTABLISHED HIGH-TENSION POWER LINES.

Director Sessions has asked that I respond to your August 28th correspondence on behalf of [redacted] who has written to you about the Earth First organization.

There has been a misunderstanding as a result of allegations in the newspapers that the FBI is investigating Earth First, which is a group of environmentalists and citizens throughout the country who are concerned with protecting our environment. These allegations are based on an FBI investigation which led to the arrest of four individuals who were charged in a Federal complaint with destroying various properties and conspiracy to commit acts of destruction of power lines at nuclear facilities in three western states. These individuals have been indicted and are awaiting trial in United States District Court in Phoenix, Arizona. Some of the individuals who were arrested were members of Earth First; thus, it was alleged that the FBI was investigating this organization. You may assure [redacted] that Earth First was not the subject of this investigation nor was its overall membership. Our investigation focused on the individuals responsible for committing criminal acts within our investigative jurisdiction.

Dear Senator Chafee,

I am writing to protest the arrest of environmentalist and Earth First! [redacted] by the FBI on conspiracy charges. [redacted] who is an internationally recognized environmental leader, has been a key figure in the courageous fight to save wilderness and old growth forests throughout the West and to preserve and restore what is left of our wild lands in the East. Future generations will thank people like [redacted] [redacted] for carrying on this fight.

The FBI, acting on information from an agent provocateur, has, in effect, accused [redacted] of ordering three other individuals to damage a power line in Arizona. Earth First! is a non-hierarchical group of people concerned with wilderness preservation. Some chain themselves to trees, some, like me, write letters and cheer from the sidelines. [redacted]

[redacted] I am a member of Earth First! (along with the Sierra Club, Amnesty International, and the AAA) and [redacted] couldn't "order" me to get him a cup of coffee, let alone to sabotage a power line.

Moreover, this action by the FBI, and similar actions against CISPES and other Latin American peace groups, raises the question of the legitimate role of the agency in a democratic society. I was incredulous when the FBI (which has a miserable record in dealing with real spies and terrorists) tried to justify its actions against CISPES by claiming that they were a suspected terrorist organization. If church-based groups protesting poverty and injustice are nests of terrorist, perhaps we had better take a hard look at the Audubon Society and the Rotary Club.

The FBI's job is to catch criminals -- not to harass, intimidate, and arrest legitimate political activists. They are not chartered to act as a Secret Police, as an American equivalent of the KGB.

What makes me particularly angry is my sense of deja vu. We've been through all this before, with COINTELPRO in the 1960's and 70's, with the Bureau's clandestine war against the Civil Rights movement, with the shelves full of revelations about the abuses of the Hoover years... When will this stop?

I consider myself a very loyal American. I also hate poverty, bad education, discrimination, and, perhaps most of all, greed and environmental despoliation. The FBI's job is not to decide whether my opinions, or those of any other citizen, lie

beyond the pale of respectable thought and should therefore be suppressed. Their job is to act as a law enforcement agency while the rest of us, citizens and elected officials alike, struggle to define what the America of the future will be like.

Movements like Earth First! have played a long and honorable role in American history, going back to the Committees of Correspondence which helped lay the groundwork for the Declaration of Independence. Orner and sometimes disruptive radicals helped end slavery, got the vote for women, won basic rights for working people, ended legal segregation, and are now working hard to save the planet from environmental destruction. I don't think any of us would want to live in America as it would have been without its "radical" history.

Representative Skaggs

Dear Representative Skaggs:

Could you please ask the FBI if it is necessary to use
frightening tactics in arresting Earth First! members? [redacted]

[redacted] of Earth First!, [redacted]
[redacted]
[redacted]

under arrest. [redacted] frequently gives talks at the
University of Colorado in Boulder and has worked with the
Wilderness Society, Sierra Club and the Colorado Environmental
Coalition to try and get more people to protect our forests. As
far as I know, he's nonviolent, and not a fugitive. He lives [redacted]
[redacted] in a house when he's not travelling to give talks on
saving forests to environmentalists.

I do not think Earth First! is a hazard to our democracy; in
fact, I think it is helping to make our country more democratic by
getting citizens to investigate and comment on the policies of the
BLM, the USFS, and Department of Interior. They're trying to
protect wildernesses and wildlife. They may do monkey-wrenching,
but I don't think they want to harm any people.

Given the recent revelations about poor preparation for the
Alaska oil spill and frequent payoffs to James Watt for
"consulting", we need more citizen watchdog groups.

r.f.20 { I applaud the FBI investigation of Rocky Flats. I applaud
your leadership in asking for cleanup and possible closure of the
plant.

It seems that an FBI agent provocateur, [redacted] may have
been used by the FBI to try to get Earth First! members to commit
illegal acts such as damaging power lines. I do not want the FBI
to treat Earth First! like a revolutionary group that they try to
discredit or harass. Some Earth First! members do talk about
damaging the system, which they feel is damaging forests and
wildlife, but the main focus is to protect wilderness and wildlife
from destruction. I don't think that they're into violence
against people. I think that sometimes when people are trying to
cut old growth forests or mine wilderness areas before the courts
or congress can protect them, Earth First! uses demonstrations and
sometimes monkey-wrenching to try to protect the environment. They

often sit in trees or lock themselves to logging equipment
to stop clearcutting of old growth.
Cheers,

Dear Attorney General:

Enclosed is what I believe to be a true reproduction of an Earth First article. It proposes grave and illegal acts be perpetrated upon the population of the United States. It seems apparent that this organization is driven, not by the love of earth, but by the hatred of people.

A similar plea for eco-kamikazes was broadcast on channel 2 here last evening. Some of their people were shown spiking trees to injure loggers and damage equipment. Media coverage of this radical criminal group is as though it were a legitimate group doing its business in a lawful manner.

Is there not some way to hold these people accountable for their actions and their conspiracy against legitimate business and law abiding people? Blowing up dams and bridges can not be accomplished without dreadful consequences.

Can they be stopped?

Sincerely,

Dear

Your March 7th letter to the Attorney General concerning the organization Earth First has recently been referred to FBI Headquarters.

We share your concern relative to the possible violence associated with disagreements surrounding environmental issues; however, we have no authority to conduct an investigation of any person or organization unless information is brought to our attention which would indicate a violation of Federal law within our jurisdiction. We have investigated a number of individuals who are advocates of Earth First for acts of violence which have fallen within our investigative authority.

We understand your interest in writing and want to assure you that we will continue to investigate information that is brought to our attention which falls within our investigative jurisdiction.

Sincerely,

Nicholas V. O'Hara

EMETIC;
DOMESTIC SECURITY/TERRORISM (DS/T)

This investigation was predicated on a number of destruction and sabotage acts in the state of Arizona, to include the conspiracy to simultaneously sabotage nuclear generating facilities located in Arizona, California, and Colorado. Violations which are attributed to this investigation were the May, 1986, sabotage of the Palo Verde Nuclear Generating Station, which resulted in a \$1,260,000 loss to the owners of the station. The October, 1987, sabotage of the Fairfield Snow Bowl Ski Resort, which was repaired at a cost of \$20,000; the September, 1988, sabotage of power poles and power lines leading to the Canyon, Pine Nut, and Hermit Uranium Mines located near the Grand Canyon in Arizona, which were repaired at a cost of \$10,000; and a second attack on the Fairfield Snow Bowl Ski Resort in October, 1988, which resulted in damages totaling \$30,000.

Investigation has determined that the above-described acts of destruction and sabotage were conducted by certain individuals who are members or affiliates of the environmental organization "Earth First." The members of the criminal enterprise purport to preserve the earth's environment by means of sabotage and extortionate demands. The group sent a letter claiming credit for the ski resort sabotage calling themselves "Evan Mecham Eco-Terrorist International Conspiracy (EMETIC)."

On 5/30-31/89, five individuals who are members of a affiliated with "Earth First" were arrested by the FBI and charged with Destruction of an Energy Facility, Destruction of a Facility used in Interstate Commerce, Destruction of Government Property, and Conspiracy to sabotage Nuclear Facilities. All are awaiting trial which is anticipated to commence approximately January, 1991.

Mr. William H. Webster, Director
Federal Bureau of Investigation
J. Edgar Hoover Building
Pennsylvania Avenue & 9th St., N.W.
Washington, D. C. 20535

Dear Director Webster:

Have been putting off writing this letter for months, but after reading the enclosed news clipping in the paper yesterday, I decided not to wait any longer. Am also enclosing a feature story in the Sunday edition of the two largest newspapers in the state of Vermont. This feature concerns the subject in question, [redacted] a resident in our town of Bridport.

When the news broke last year that a member of the [redacted] gang was living in our small farming town, the townspeople became greatly concerned. Doors and windows that were formerly unlocked were locked, security measures were taken, closer supervision of family members became the rote, and a general atmosphere of apprehension prevailed around the town.

As time passed, and months went by, this atmosphere lessened to some degree, only to return with each outbreak of news in the media of such items as depicted in the enclosed clipping. To the best of my knowledge, no known protest was made to any state or federal officials, though the local officials were made well aware of the fears of the townspeople through personal contacts. Knowledge of California's "Earth First" people being in town and having made contact with [redacted] and they having gone across the Lake Champlain to Ticonderoga, New York, to give employees of that town's huge International Paper Company paper mill a bad time about what they claimed to be pollution of the Lake by the mill didn't set too well with the people, either. Some wondered if her going over to New York State wasn't a violation of her parole, too.

It is very well known around this town that this notorious person is unrepentant for her past that sent her to prison, she still adores [redacted] and that she can hardly wait to rejoin him and his followers in California. A common complaint of Bridportites is: "Why did they pick this town to place such a dangerous person in residence?" And the knowledge she is not living alone in that house near the shore of Lake Champlain (with a person by the name of [redacted] in some people's minds means we are in double jeopardy, believing one must be as bad as the other.

The question in a lot of Bridport minds, and the reason for this letter is - what do we have to do to rid our town of this person, [redacted] We are hopeful you may have an answer to this question.

Sincerely yours

ATTN:

Dear Committee:

I wish to submit my name as a candidate to the Lake Champlain Management Conference, in the status of a public official. As a Bridport resident who has resided on the shore of Lake Champlain for the past two decades, and who has indulged in such outdoor activities on the Lake as fishing, swimming, boating, and the best sport of all - ice fishing, over most of the southern end of the Lake and its tributaries, I believe I possess the proper amount of concern for the beautiful scenery I can observe from my picture window or deck. Weather doesn't matter - even in a blizzard, it is still beautiful!

As for other pursuits, am a past member of our local Planning Commission, serving for four years till the end of my term this past year. As a Commissioner, had a lot of input in the formulation of our present Town Plan. Am also the Secretary-Treasurer of Bridport's Board of Zoning Adjustment, well into my second 3-year term of office. Am presently also a member of our town's BiCentennial Committee. We have been running a series of events, such as breakfasts, dances, etc., to accumulate enough funds to properly celebrate in fine style the big event coming up in July. Plans are already laid by our Committee toward that big celebration.

Am also a very active member of our local (Middlebury) Lions Club, participating in all of its variagated projects and have served as Chairman on several of them. Also participate in our local elementary and district (Middlebury) Union High School interests, and the area's political affairs. Due to all of the above, have become very well known throughout Addison County.

Have asked our Bridport Board of Selectmen for a letter of approval of my candidacy to the Conference. With their Board not meeting till next Monday evening, that should be forthcoming shortly after, if not before.

Most sincerely yours,

Dear [redacted]

Your communication to former Director Webster has been referred to me for acknowledgment. The interest which prompted you to write and make your concerns known is certainly understandable.

While I wish we could offer you some encouragement, based on the data you furnished, there is no indication of any violation of Federal law which would fall within the jurisdiction of the FBI. If you and others believe that [redacted] may have violated her parole by going to New York State, you should bring this matter to the attention of the local parole office.

NOTE: Correspondent wrote concerning [redacted] a Manson follower who was sentenced to 15 years in prison. Nine years into her sentence jailers decided to release her. She wanted to go back to California; however, because of the circumstances they offered to send her to Vermont.
